

Danny @ the market:

We will now be taking orders for pre ordered fruit and veg to be collected from our stall on a Tuesday Thursday Friday and Saturday. We will need your order in for 6pm the day before you want to collect. We will also be doing a limited £25 fruit and veg box delivered to your door for those who need it. We will deliver that on a Wednesday morning but again I stress there are very limited numbers as we are small business trying to do our best for everyone. But if you are capable of coming to stall to collect please do that so we can save home delivery for those more needing than ourselves. You can order by messaging me on here or email at Edwardsfreshfruit@hotmail.com any other enquires please just contact me.

Sheeplands Farm Shop:

This is an email ordering service. You ring in with your order which must have a contact number on it. When the order is ready they will ring you to get payment and arrange delivery. The turnaround is about 5 days. Their range can be seen here www.harehatchsheeplands.co.uk

CABelchers:

Boxes can be ordered online at www.cabelcher.co.uk or their number is 0118 9752466
